

THEN instructors will

**WHEN
Community
Colleges
use the
Bridge
Method**

have a
scheduled
time to
discuss
their
curriculum

have tools
to
accelerate
curriculum
revision
and
alignment

be
empowered
to
collaborate

be able to
learn from
colleagues'
successes
and tackle
common
challenges
with group
expertise

be able to
incorporate
new and
successful
practices
with support
from
colleagues

**THEN
students will
benefit from
more
effective
teaching**

**THEN
